The positioning of the chafer can cause damage to the front brake hose and lead to a loss of brake fluid. This can reduce brake performance and could lead to accidents.

Measures taken by economic operators: Recall of the product from end users (By: Manufacturer)
Description: Motorcycle.
Batch number/Barcode: Affected vehicles manufactured between 9.2.2011 and 15.7.2015.
Country of origin: Germany
Products were found and measures were taken also in: the Netherlands, United Kingdom, Croatia, Slovenia, Malta, Sweden, Ireland, Slovakia

Alert number: A12/0096/16
Product: Passenger car
Name: Passat
Risk: Injuries

There may be metal chips in the housing of the airbag control module. This could result in a short-circuit occurring on the circuit board in the airbag control module causing the airbags to deploy unnecessarily.

Measures taken by economic operators: Recall of the product from end users (By: Manufacturer)
Description: Passenger car
Batch number/Barcode: The vehicles affected were produced between 22/04/2014 and 19/09/2014.
Country of origin: Germany
Products were found and measures were taken also in: Slovakia, Sweden

Alert number: A12/0108/16
Product: Passenger car
Name: Granturismo, Grancabrio.

### Cabrio/Coupe, M145 series MC

**Risk:** Fire  
**Risk level:** Serious risk  
**Risk:** Fuel may leak within the engine compartment as a result of a manufacturing defect affecting the right-hand fuel supply pipe in the engine compartment.  
**Measures taken by economic operators:** Recall of the product from end users (By: Manufacturer)  
**Description:** Passenger car  
**Batch number/Barcode:** Vehicles manufactured in 2015 are affected.  
**Country of origin:** Italy  
**Alert submitted by:** Germany  
**Products were found and measures were taken also in:** Sweden

### Nissan Note and Micra

**Risk:** Injuries  
**Risk level:** Serious risk  
As a result of a design change to the engine ignition coils fitted, the internal electrical components of the coil may short circuit resulting in an engine misfire. In the worst case, this short circuit may cause a fuse inside the Power Distribution Module (IPDM) to fail, stopping power to the ignition relay. This may cause the engine to stall.  
**Measures taken by economic operators:** Recall of the product from end users (By: Distributor)  
**Description:** Passenger car  
**Batch number/Barcode:** Production date Note from 06/08/2015 to 11/01/2016 and Micra from 09/07/2015 to 05/01/2016;  
**Country of origin:** India  
**Alert submitted by:** Portugal  
**Products were found and measures were taken also in:** the Netherlands, Slovenia, Slovakia, United Kingdom, Malta, Sweden

### IKEA LATTJO Tongue drums and LATTJO Drumstick sets

**Risk:** Choking  
**Risk level:** Serious risk  
The ball on the drumsticks can detach or become unscrewed, creating the risk for choking. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.  
**Measures taken by economic operators:** Recall of the product from end users (By: Importer)  
**Description:** The LATTJO Tongue Drum is a solid birch rectangular-shaped drum with a turquoise-dot print on the front and two solid red circles on top. The drum comes with a seven inch mallet with a turquoise painted handle and black rubber ball on the end. The LATTJO Drumstick set includes two solid birch drumsticks, two brushes and two mallet-type drumsticks with black rubber balls on the ends. The set was sold in a turquoise polyester roll-up pouch with a red and white striped fabric panel in the center.  
**Batch number/Barcode:** 50310260 - LATTJO Tongue drums, 10310257 - LATTJO Drumsticks  
**Country of origin:** China  
**Alert submitted by:** Iceland  
**Products were found and measures were taken also in:** Ireland, Austria, Denmark, Croatia, Slovakia, Hungary
Alert number: A12/0124/16  Category: Toys
Product: Soft ball with spikes          Brand: Unknown
Name: FLASHING SPIKY BALL               Type/number of model: Super Size - 65mm
Risk: Choking                           Risk level: Serious risk

The small squeaking mechanism can easily come off from the plastic ball. A small child may put it in the mouth and choke on it. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.

Measures taken by economic operators: Temporary ban on the supply, offer to supply and display of the product (By: Retailer)
Measures ordered by public authorities: Ban on the marketing of the product and any accompanying measures

Description: Soft plastic ball with spikes, emitting sounds and light, supplied in a display box containing 24 pieces of different colours, no age warnings.
Batch number/Barcode: Unknown
Country of origin: China

Alert submitted by: Luxembourg

Alert number: A12/0125/16  Category: Toys
Product: Plastic doll with voice box    Brand: Youfei
Name: Unknown                           Type/number of model: Unknown
Risk: Choking, Chemical                  Risk level: Serious risk

The electronic voice box is directly accessible and the battery cover is easily removable giving access to button batteries which could be swallowed by children and cause damage to the gastrointestinal tract or choking. In addition, the hair on the head of the doll is attached with a staple which has sharp points, posing a risk of injury to a child. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.

Measures ordered by public authorities: Import rejected at border
Description: Soft-bodied, blonde-haired doll with a plastic head and limbs, with electronic voice box stored in an open pouch on the front of the doll's body. No packaging.
Batch number/Barcode: Unknown
Country of origin: China

Alert submitted by: United Kingdom
Alert number: A11/0009/16
Product: Valve oil for musical instruments
Name: 1) Light Piston, 2) Piston Lubricant 2, 3) Classic Piston Lubricant 4) light rotor lubricant 11
Risk: Chemical
The product lacks the required labelling, child-resistant fastening and tactile warning of danger. The precautionary statements on the label are insufficient. The product does not comply with the Regulation on the classification, labelling and packaging of substances and mixtures (CLP).

Measures ordered by public authorities: Withdrawal of the product from the market
Description: White plastic bottle (60ml) with green labelling and white plastic cap.
